Open trades

How to use this journal: Print pages 2-3 (the trade log) as many times as you need — one page per trade. Before you OPEN a trade, fill out the Entry section. Before you CLOSE, fill out the Exit section and the Discipline checklist. At the end of each month, fill out the Summary Tracker (page 4) to measure your win rate and growth.

☐ Stock above 50-day MA?☐ Risk $\leq$ 2% of account?☐ No earnings this week?☐ Delta on sold leg $\leq$ 0.20?☐ Insurance leg (bought) in place?☐ Max 3 trades open?

MONTH-END REVIEW

WHAT DID I DO WELL THIS MONTH?

WHAT COST ME MONEY? (BE HONEST)

ONE RULE I WILL FOCUS ON NEXT MONTH:

Checkpoint: If win rate is below 70% OR account is down 15%, go back to paper trading for 2 weeks and review this journal with a mentor. The journal never lies — trust it.
